

## Norman Regional Health

You may reach us by telephone at 800-552-5304.

These services are available to full-time, part-time, domestic partners, and “as needed employees” of Norman Regional Health.

Your benefit offers up to six in-person EAP visits per calendar year covered in full per eligible individual. Callers with financial concerns have access to one telephone consultation per financial matter with no limit on the number of financial issues.

Work-Life Services provide unlimited telephone consultation and referral for dependent care issues, including child care/parenting, adoption, educational resources, dependent adult and elder care. We offer self-service, web assistance in these areas. Reach us by telephone at 800-552-5304.

Unlimited telephone consultation is available to managers and supervisors on job performance or workplace issues.
